

The 2025 Ford Explorer **Active Comfort Package** includes several features designed to enhance comfort and convenience.

Specifically, the package includes:

- Heated steering wheel: To keep your hands warm on chilly days.
- Front fascia upgrades: These include silver-painted LED fog lamp skid plate elements and LED signature lighting, giving the vehicle a more refined look.
- Remote start system: Allowing you to start the engine and warm up or cool down the cabin before you even get in.
- Seat upgrades: This includes an 8-way power adjustable passenger seat and ActiveX™ seating material (Ford's synthetic leather upholstery) for easy cleaning.
- Universal garage door opener (UGDO): For convenient access to your garage.
- Second-row captain's chairs (RWD only): Providing increased passenger comfort and easier access to the third row
