

The 2025 Ford Explorer Active **Base Equipment** trim, serving as the base model, comes equipped with a notable array of standard features, focusing on convenience, technology, and safety.

Engine and Performance:

- 2.3L EcoBoost I-4 Engine: This turbocharged four-cylinder engine produces 300 horsepower and 310 lb-ft of torque.
- 10-Speed Automatic Transmission: Standard with the 2.3L engine.
- Rear-Wheel Drive (RWD): Standard drivetrain.
- Terrain Management System™: Offers multiple drive modes for various conditions.
- Trailer Sway Control: Aids in stable towing.
- Class III Trailer Tow Package: Allows for towing up to 5,000 pounds.

Exterior Features:

- 18" Sparkle Silver-Painted Aluminum Wheels: Standard wheel size.
- LED Headlamps and Taillamps: Provides bright, modern illumination.
- Power Liftgate: Enhances convenience for loading and unloading cargo.
- Keyless Entry: Allows easy access to the vehicle.
- Push-Button Start: Convenient ignition.
- Integrated Roof Antenna.

Interior Features:

- 13.2" LCD Touchscreen: Houses the infotainment system.
- Ford Digital Experience: Includes integration with Google and Amazon apps, plus Apple CarPlay and Android Auto compatibility.
- 12.3" Color LCD Productivity Screen: Digital instrument panel display.
- Heated Front Seats: Standard for driver and front passenger comfort.
- 10-Way Power Driver Seat: Allows for multiple adjustments.
- Second-Row Captain's Seats: Standard configuration, seating for seven passengers.
- Three-Zone Automatic Climate Control: Allows for individual temperature settings in different zones of the vehicle.
- Multiple USB Ports: Including ports for third-row passengers.

- FordPass Connect™ with 5G LTE Wi-Fi Hotspot Capability: Provides connectivity for devices.
- Wireless Apple CarPlay® and Android Auto™: Allows seamless smartphone integration.
- Six-Speaker Audio System: Standard sound system.
- Rearview Camera with Backup Assist Grid Lines: Aids in parking and backing up.
- Rear Parking Sensors: Provide assistance when parking.

Safety and Driver-Assistance Features:

- Ford Co-Pilot360 Assist+: Comprehensive suite of driver-assistance features.
- Adaptive Cruise Control with Stop-and-Go and Lane Centering: Maintains a safe distance from the vehicle ahead and helps keep the vehicle centered in its lane.
- Lane Keeping System: Includes Lane-Keeping Assist, Lane-Keeping Alert, and Driver Alert.
- BLIS® (Blind Spot Information System) with Cross-Traffic Alert: Alerts the driver to vehicles in their blind spots.
- Pre-Collision Assist with Automatic Emergency Braking: Detects potential collisions and can apply the brakes.
- Auto High-Beam Headlamps: Automatically adjust between high and low beams.
- Evasive Steering Assist: Helps to steer clear of obstacles if braking is insufficient.
